### Heritage Trail Interpretive Sign Panels

Friends of the Riverfront along with several key foundations and corporate sponsors are in the middle of replacing all 30 of the old Heritage Trail Interpretive sign panels with new impervious materials. The process will take several more months to complete, with installation and continued stewardship provided by volunteers. Trail users will once again be able to learn about the Pittsburgh region's rich cultural heritage. Free guides to the trails and signs are available by clicking [HERE](#).

### Community Bike Program Upgrades Installed Shortly

Thank you for your continued patience while we finish the refurbishment of the [Community Bike Program](#). We plan to replace many of the bikes, all of the locker doors & hinges, and install a new reader system that is more efficient and tamper proof than the current swipe cards. Program users' current blue cards will continue to operate **thru August**. We will send out a notice shortly outlining the upgrades and offering users new access cards.
