## FRIENDS OF THE RIVERFRONT

Through intense collaboration with community partners, government officials, and a diverse volunteer base, our rivers and riverfronts have been transformed from industrial wastelands to international examples of environmental renewal. Whether you bike, hike, rollerblade, or paddle along our beautiful shores, we encourage everyone to take advantage of these assets.

## SUPPORT THE TRAILS

**Wednesday October 28, 2009** is Pittsburgh's Day of Giving! Beginning at 10 am, supporters of Friends of the Riverfront can log on to [pittsburghgives.org](http://pittsburghgives.org) (keyword Friends of the Riverfront) to make a donation, and have it matched at 50 cents to the dollar. Match dollars are expected to go fast, so log on early to make the most of your donation!

## UNKILLABLE HUMAN SCULPTURE RESTORED

We are happy to announce that the Unkillable Human Sculpture has been restored and reinstalled in the Peace Garden on the North Shore Trail. The silhouette portion of the sculpture, which was stolen in early August, suffered some damages, but has been beautifully restored by our friends at Red Star Ironworks with support from Physicians for Social Responsibility.
