FRIENDS OF THE RIVERFRONT

Through intense collaboration with community partners, government officials, and a diverse volunteer base, our rivers and riverfronts have been transformed from industrial wastelands to international examples of environmental renewal. Whether you bike, hike, rollerblade, or paddle along our beautiful shores, we encourage everyone to take advantage of these assets.

YOU'RE INVITED!

Happy Holidays from Friends of the Riverfront! Join us Friday, December 10 from 5-8pm for our annual Holiday Party and Open House! Enjoy live music with the [Boilermaker Jazz Band](#), plenty of food, drinks, and fun!

THREE RIVERS WATER TRAIL

The newest access along the Three Rivers Water Trail at O'Hara Chapel Harbor will soon be complete! This new ADA compliant will offer access to the Allegheny Riverfront for canoe and kayakers.

OHIO RIVER TRAIL PLAN

Thanks to a recent grant from the PA Department of Conservation and Natural Resources, we're partnering with Allegheny County and the Pennsylvania Environmental Council to plan a trail connection to extend the Three Rivers Heritage Trail along the Ohio Riverfront and connect with the Montour Trail!

Once complete, this corridor will provide a non-motorized connection to the International Airport and the South Hills communities. Please consider participating in this important community project. [Click Here](#) to join the team!
