FRIENDS OF THE RIVERFRONT

Through intense collaboration with community partners, government officials, and a diverse volunteer base, our rivers and riverfronts have been transformed from industrial wastelands to international examples of environmental renewal. Whether you bike, hike, rollerblade, or paddle along our beautiful shores, we encourage everyone to take advantage of these assets.

ASPINWALL MARINA

In February, Friends of the Riverfront entered into an agreement to purchase the Aspinwall Marina, located at 285 River Avenue in Aspinwall. The property includes approximately 8 acres of land, a year-round boat storage facility, docks, a marina store, and related facilities.

The sale of the marina was valued at \$2.3 million, contingent upon the successful completion of financing, and is part of a \$3.5 million riverfront development project.
