FRIENDS OF THE RIVERFRONT

Through intense collaboration with community partners, government officials, and a diverse volunteer base, our rivers and riverfronts have been transformed from industrial wastelands to international examples of environmental renewal. Whether you bike, hike, rollerblade, or paddle along our beautiful shores, we encourage everyone to take advantage of these assets.

Thanks to all your help and support, Friends of the Riverfront has completed the purchase of the Aspinwall Marina!

Join us on Saturday, November 5th from 9am to noon for the first official [Riverfronts Naturally at Aspinwall Marina](#)! We'll clear debris, plant bulbs and remove Japanese Knotweed to start the transformation of the site into a beautiful community park! Due to hazards on the site, this event is limited to adults and older children.

PA AMERICAN WATER DETOUR REOPENS!

The temporary closure of a portion of the Three Rivers Heritage Trail in the South Side will be complete on Tuesday, November 1st at 8:00 am.

The Trail closure began last summer as part of Pennsylvania American Water's Becks Run Pumping Station replacement project and has been extended to accommodate construction delays due to inclement weather.

Pennsylvania American Water completed upgrades to its intake structure located along the trail on the Monongahela River. As part of the project PA American Water and Friends of the Riverfront are planning on making additional site remediation during the spring of 2012 including replanting of damaged or missing native plants and stabilization to the riparian buffer zones.
