TRAIL AMBASSADOR ROLE

TRAIL AMBASSADOR BENEFITS

Trail Ambassadors are outdoor-loving people who share an enthusiasm for the Trail. We are leaders and role models representing that Trails are for all!

WHY DO WE NEED TRAIL AMBASSADORS?

With over 33 miles of Trail expanding across Allegheny County, our Trails reach many neighborhoods. Trail Ambassadors represent the diversity of our region and encourage people like you to feel safe and welcome on the Trail.

ENRICH YOUR OUTDOOR RECREATION

We love how much you value the Three Rivers Heritage Land and Water Trail. Ambassadors can enjoy the outdoors while giving back by engaging and inspiring our community to feel welcome in shared outdoor spaces.

WE KEEP THE TRAIL SAFE AND ACCESSIBLE FOR ALL

Trail Ambassadors cycle, walk, roll, paddle, or relax in one location along the Trail to help Trail users as needed and distribute maps and materials while enjoying the beauty and tranquility of the Trail.

WE INSPIRE OTHERS TO JOIN US ON THE TRAILS AND RIVERS

Trail Ambassadors help table at events and/or lead group Trail experiences with the support and community fostered by Friends of the Riverfront.

WE TRACK TRAIL CONDITIONS AND TELL A GOOD STORY

Trail Ambassadors submit reports monitoring and ensuring Trail are safe and inclusive, while also taking beautiful photos and writing stories about our Trail Experiences to share with our community.
